In 1995, the word "Amabokoboko" echoed through the streets of South Africa...

...a new Brand symbolizing Champions and Unity was born.

Our goal is to unify cultures and bring people together in the Amabokoboko way:

In Afrikaans they call it 'gees', in Xhosa it is 'moya'.

We like to call that spirit "Amabokoboko"

Making Amabokoboko the Sports Brand of the People.
